Requirements

- You must have used Epic in the same module within the last year.

  - Previously used Epic as an Inpatient provider and will continue as an Inpatient provider at NMHS.

- You are prepared and competent to use Epic at NMHS.

- **Following completion, you must report to 812 Varsity Drive Tupelo, MS 38801 to be fingerprinted for Imprivata to eprescribe narcotics.**

Instructions

1. Access Epic Hyperdrive PLY through Citrix to locate test patients.

    - Citrix instructions Slide # 4.

    - Epic Hyperdrive PLY UserID and password Located on Slide # 4.

2. Test questions are located via CloudCME.

    - The following test must be passed, or in person training will be required before EPIC access will be granted.

Citrix Access

- Citrix can be accessed through https://storefront.nmhs.net

- You must be set up with "remote access" prior to accessing Citrix.

- This is completed by the legal team during onboarding. Our helpdesk (662) 377-2240 can help to validate or request training with Nancy Corby.

- You will login in Citrix using your NMHS credentials.

- The helpdesk can also help you set up your password.

- If you are completing on a NMHS computer, login to the computer and access Citrix workspace, PLY is downloaded already.
