

The CloudCME® mobile app provides quick access to most of the CloudCME® functions. You only need to download the app and login once, and then you will be able to view content, perform CE tasks, see listings of activities or check-in to activities from your device. When an event is complete, Evaluation forms and Claim Credit allow you to finalize the CE process.

The features that are available in the CloudCME® Mobile App are set by your institution. Your CloudCME® mobile app features may include:

My Profile – allows you to create and manage your account in CloudCME®.

My Evaluations -allows you to complete activity evaluations.

My Certificates – allows you to view, print or email certificates.

My Transcript – allows you to view, print or email your transcript.

Online Courses – allows you to access online activities and complete them.

Syllabus – allows you to view activity syllabi, view up-loaded presentations and take notes on the displayed presentations.

Calendar – allows you to view upcoming CE activities.

Scan Attendance – allows you to record your attendance, when applicable.

Audience Response - allows you to participate in audience response polls, when applicable.

Faculty – if you serve as faculty to CE activities, this allows you to access and complete your faculty assigned tasks including disclosure of financial relationships.

The mobile app menu may vary depending on your institution's policies.
