

CloudCME allows you to register for CE activities, to manage your CE activities, and to obtain your CE certificates of completion.

Via Computer

Step 1: To begin, enter the URL address <https://nmhs.cloud-cme.com> to access CloudCME.

Step 2: Click **Sign In**.

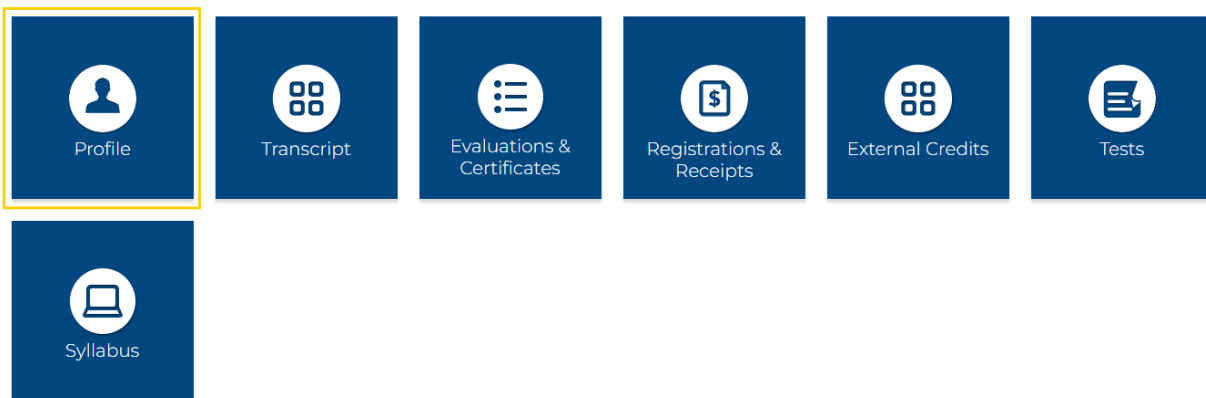

Step 3: Click the **My CME** or **My CE** button.

Step 4: Click the **Profile** button.

MY CME

Instructions: Click a button to proceed.

Step 5: Complete your profile. Required fields are marked with an asterisk. **NOTE:** Make sure you select your Degree and Profession.

Step 6: When your profile is complete, click the **Submit** button at the bottom of the screen.

Registering for a CE Activity

At the top of the screen, you will see a menu panel. Click the option you are interested in attending such as “Live Courses,” “On Demand Courses,” and “RSS/Case Conference.”

You can scroll through the course listing, read course details, and select activities that you are interested in attending. If registration is available, a Register button will display allowing you to complete the activity registration process.
